

Securing the Future of Payments Together

Collaboration is at the heart of the Council's mission to help secure payment data globally. As a global forum, we bring together payments industry stakeholders to develop and drive implementation of data security standards and resources for safe payments worldwide.

Join our growing community of Participating Organizations and play an active part in helping secure the future of payments. And now there are more options and opportunities to get involved and make a difference.

Benefits of being a PCI SSC Participating Organization

There are significant benefits to taking part in PCI SSC as a Participating Organization (PO). As a Participating Organization, you have the opportunity to help reduce threats to payment security. From merchants and service providers to payment device manufacturers and software developers, financial institutions, and processors – we seek involvement by all sectors of the industry, to help secure payment data.

Benefits vary according to participation level, but core benefits include:

Influence and Collaboration:

- Play a key role in influencing the ongoing development of PCI Security Standards and in helping ensure that these standards are implemented globally to secure payment data.
- Nominate your company and vote for the PCI SSC Board of Advisors (BoA), which represents Participating Organizations worldwide to ensure global industry involvement in the development of PCI Security Standards. If seated as a BoA member your company will have the ability to vote on new standards and major standard revisions.
- Impact the standards that impact you through the Request for Comments (RFC) process. Review and provide feedback on draft PCI Security Standards before they are published.
- Propose, vote for, and participate in Special Interest Groups (SIGs) that provide guidance to the industry on specific payment security challenges.

Expand Knowledge:

- Connect, share, and learn at the annual PCI Community Meetings. Receive complimentary passes and participate in the call for speakers.
- Stay informed on the latest PCI SSC updates with the PCI Monitor, the Council's exclusive weekly newsletter for Participating Organizations.
- Take advantage of PCI Training to build your knowledge and connect with PCI SSC security experts and industry colleagues.

Promote:

- Increase your visibility with your logo/company name displayed on the PCI SSC website.
- Receive an exclusive PCI SSC Participating Organization logo for use on your website and marketing collateral.
- Access the PCI SSC Participating Organization press release template to issue a formal announcement highlighting your company joining PCI SSC.
