

Scaling Compliance

Why One Organization Trained 30 ISAs
(And What Happened Next)

A circular portrait of Scott Chambers, a man with a beard and short hair, wearing a dark suit jacket over a light pink shirt. The portrait is set against a blurred background and is framed by a thick green circular border. The background of the entire slide is a dark teal color with decorative elements: a light teal circle in the top right, a blue semi-circle in the middle left, an orange semi-circle in the bottom left, and a purple semi-circle in the bottom left.

Standards Trainer

PCI Security Standards Council

A modern office environment during a fire drill. The room is filled with desks, computers, and office chairs. Numerous papers are flying through the air, creating a sense of chaos and urgency. Several people are visible: one person in a red jacket stands near a desk on the left, another person in a blue shirt is walking towards the center, and a person in a white top is seated at a desk on the right. The ceiling has exposed ductwork and lights. Large windows are on the left side. A large purple circular graphic is overlaid on the right side of the image.
