Impact Payment Security

Serve on the PCI SSC India-South Asia Regional Engagement Board

The PCI SSC India-South Asia Regional Engagement Board represents perspectives of Participating Organizations and payments stakeholders in India-South Asia. It advises the Council on payment data security issues in the region and provides feedback and guidance on PCI Standards development and adoption.

Nominate your organization for the 2027–2028 PCI SSC India-South Asia Regional Engagement Board in three simple steps:

> *The Regional Engagement Board brings together stakeholders from India and South Asia to discuss challenges and opportunities in this region. The Board offers a unique blend of collaboration from different industry verticals to secure payment data in an evolving payment ecosystem.*
>
> **Nitin Bhatnagar**
> Regional Director India, South Asia, and Middle East
